

CONSTRUCTION NOTIFICATION AT AREAS NEAR THE NEW BELKNAP ACADEMIC BUILDING

*In Effect November 5, 2018 - November 26, 2018,
Weather Permitting*

The Belknap Academic Building's Contractor, Whittenberg Construction, has scheduled closure of specific sidewalk areas. There are construction fence, signage and barricades that re-route pedestrian/vehicular pathways at the following areas:

Work is scheduled to be completed in approximately 3 weeks time.

1. Sidewalk closed between Shumaker Research Building and new Belknap Academic Building.
2. Sod replacement in areas noted. Surrounding sidewalks to remain open with minimal encroachment.

Your continued understanding and patience with these construction activities is appreciated.
